FOR THE COFFEE MACHINE AND PERCOLATOR

SWEET CHOCOLATE AND ALMONDS fight for dominance with juicy grapefruit and berries to give off a sweet, intense aroma at the end. Three lightly roasted Arabica from South America, Central America and Africa made a lot going on in this mixture.. Tastes great in form of black coffee or when served with milk

Flavor profile: almonds and milk chocolate | roasting profile: espresso | ingredients: arabica | roast degree: light | caffeine content: medium | acidity: high | bitterness: low | sweetness: average

The quality of the speciality coffee: 81-83 pkt | weight 200 gr
